

Directions to Primrose Brook, Forest Bird Monitoring Site at:

Morristown National Historical Park, Jockey Hollow Area

Morristown, NJ

Site established 2 May, 2006 by Steve Faccio and Randy Little

*NOTE: All bearings are Magnetic North, **do not** adjusted your compass for declination. All listening stations are marked with blue flagging and an aluminum treetag, labeled "VINS PB #", where # indicates the Point Number.*

Park in Visitor Center Parking Lot off Tempe Wick Rd. From East end of parking lot, follow a bearing of **140°** for 50m into the forest. **PT 1** is located on a **5" Red Maple**.

PT 2 – To reach PT 2, follow a bearing of **162°** for 200m. 40m after crossing the Patriot's Path trail, PT 2 is on an **8" Black Birch**.

PT 3 – Change bearings to **70°** and follow it for ~340m. PT 3 is on a **10" ash** on a SW-facing slope with lots of barberry. PT is adjacent to a vegetation survey plot with many tagged trees so be sure you are at the correct tree.

PT 4 – Follow a bearing of **87°** for 250m up and over hill and down into area thick with barberry. PT 4 is on a **10" Tulip Poplar**.

PT 5 – Follow bearing of **138°** for 275m downslope. You will reach PT 4 on a bench above Primrose Brook, 20m after crossing the Patriot's Path trail. PT is on a **5" Sugar Maple**.

PT 6 – Follow **110°** for 250m, across stream and up rocky hillside nearly to summit. PT is on **4" Black Birch**.

PT 7 – Follow **08°** for 290m downslope into open forest. PT is on **6" Black Birch** 5m beyond a large twin-trunked Black Birch. NOTE: 20 m beyond PT is a 4'x4' concrete water cistern along drainage.

PT 8 – Continue on bearing of **08°** for 245m across stream and gentle grade to PT on **4" American Beech** just 5m SW of Old Camp Rd. Trail (blue blazes).

PT 9 – Go up to trail and turn left, proceed downhill and make left turn (SW) onto the Patriot's Path Trail. Continue up trail. Just before second bridge crossing take a bearing of **310°** and go 65m to PT on **6" American Beech**, 15m after crossing the small Primrose Brook Loop Trail.

PT 10 – Change bearings to **276°** and follow it 290m across small stream and upslope to level area. PT is on an **8" Black Birch** just S of small drainage dense with skunk cabbage.

Head NW to reach Jockey Hollow Rd and turn left to reach Parking Area and your car.

GPS Coordinates in UTM, NAD 83.
