

RARE SPECIES DOCUMENTATION
Records of Vermont Birds

AOU#
FILE #

The following form has been prepared to encourage full documentation, when requested, of rare or unseasonal birds in the state of Vermont. These reports are put into a permanent file and should be as detailed as possible. New reports are reviewed annually by the Vermont Bird Records Committee, which evaluates records for their acceptability to future researchers and for inclusion in the state bird list.

Please print or type

SPECIES: RING-NECKED PHEASANT

NUMBER OBSERVED: 1

OBSERVER MAKING REPORT:

NANCY A. BROWN
